 - 16. The procedures we have performed do not constitute an audit or review made in accordance with generally accepted auditing standards. Furthermore, they will not necessarily reveal matters of significance with respect to any material misstatement of the information related to KPIs of the Company.

Inherent Limitations:

- 17. Our work and conclusion shall not in any way constitute advice or recommendations (and we accept no liability in relation to any advice or recommendations) regarding any commercial decisions associated with the Offer, including, in particular, but without limitation, any which may be taken by the Company, book running lead managers or the syndicate members appointed for the Offer, in each case in the capacity of investor or in providing investment advice to their clients or the Company.
- 18. We, however, state that this is not an assurance as to the future viability of the Company or whether the KPIs have been considered / have a bearing for arriving at the basis for Offer Price. We further state that our reporting is based on the facts up to the date of the report and we neither give any guarantee nor any assurance that the KPIs reported will continue to perform and/or report in similar manner in future. It should be noted that the KPIs contained in the Statement may not be measures of operating performance or liquidity defined by generally accepted accounting principles. We make no comment about the Company's definition, methodology or presentation of the KPIs in the Statement or its usefulness for any purposes.

19. The KPIs included in the Statement should not be considered in isolation from, or as a substitute for, analysis of Company's historical financial performance, as reported and presented in the Restated Financial Statements of the Company included in the Offer Documents. These KPIs (other than GAAP measures) are not defined under accounting principles generally accepted in India, including the Indian Accounting Standards (as amended from time to time) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules (as amended from time to time) ("**Indian GAAP**"), and are not presented in accordance with Indian GAAP and have limitations. These KPIs may differ from similarly titled information used by certain peer companies, who may calculate such information differently and hence their comparability with the measures used by the Company may be limited. Therefore, such KPIs should not be viewed as substitutes for measures of performance under Indian GAAP or as indicators of Company's financial position, financial performance or its cash flows.
